Mid-Autumn Celebration

Nothing beats good company, mooncakes, and Chinese tea during the Mid-Autumn Festival. A huge thank you to the amazing volunteers from @incomeinsurance for lighting up our seniors' day on 6 October with paper lantern making and other fun-filled activities.

Bingo Fun

It was an afternoon filled with laughter and excitement as volunteers from Veolia joined our seniors for a lively Bingo session at Gateway Theatre's Sky Garden. The volunteers brought wonderful energy, cheering, chatting, and celebrating every win with our seniors.

Beyond the games, it was a meaningful time of connection, where simple moments of fun created lasting memories and smiles all around.

Support CWA's Mission: Donate Today!

At Caregiving Welfare Association, we strive to empower caregivers and enrich the lives of seniors. Each year, we require **\$1,000,000** to support our programmes and services, including operational costs, that assist isolated seniors, seniors in need, and their caregivers. In 2023, our programmes and services reached **1,377 beneficiaries**.

With a **\$45** monthly donation, you enable a caregiver to seek respite and attend one session of our Caregiver Support Group, reducing the risk of caregiver burnout.

With a **\$50** monthly donation, you provide breakfast and groceries to a senior, alleviating their financial burden.

With an **\$90** monthly donation, you provide 2 hours of Home-Based Personal Care (HPC) services for 2 homes, assisting with personal hygiene, meal preparation, companionship, and daily living activities, significantly enhancing their quality of life.

With a **\$675** monthly donation, you fund an art therapy workshop for 15 caregivers, offering them emotional and psychological support in a safe environment.

With a **\$750** monthly donation, you sponsor outdoor social activities for 15 seniors, promoting physical health and social engagement.

With a **\$1,000** monthly donation, you provide a health and wellness programme for 20 seniors, including exercise classes, social activities, enrichment workshops, and health screenings to maintain their physical and emotional well-being.
